January 11, 2017

It is with great pleasure that I welcome you to Vancouver for the 2017 Global Dance Challenge from January 31st to February 4th, 2017.

Goh Ballet Academy, under the direction of Mr. Chan Hon Goh, offers a unique opportunity for young artists to be introduced to other members of the global dance community. This week provides artists with the chance to display their talents, gain experience, and be recognized through awards and scholarships for years of sacrifice and dedication.

As an enthusiast for the arts, I encourage you all to continue the hard work and have a great experience.

Sincerely,

Hon. Hedy Fry, PC, MP
